[New Direction Driving School], hereinafter referred to as "The Driving School" agrees to provide applicant, hereinafter referred to as "Student", 8 hours of behind-the-wheel training based on the Ohio Driver Training Curriculum. The student will complete the 24 hour equivalent of required classroom with an Ohio approved online provider. The student must provide a certificate of completion from an approved online driver education program to begin the eight hours of behind-the-wheel training. State of Ohio regulations require all training be made available by 6 months from Starting Date. Should a student be unable to attend available training sessions offered, the school is relieved of the aforementioned obligation. The Driving School shall furnish a licensed instructor and a motor vehicle for instruction. The tuition for said instruction is \$395.00.

Any additional in-car training may be obtained at the hourly rate of \$65 per hour. If applicable, the Student may, for an additional fee of \$130.00, use the Driving School's vehicle to take a driving exam at a State exam center located in Cuyahoga County, OH.

The Student is required to obtain a valid temporary driving permit and pay tuition in full prior to scheduling the practical driving portion of the training. If the student must cancel a scheduled driving appointment, cancellation must be made a minimum of 24.5 hours prior to the scheduled appointment. Failure to do so may result in an additional fee of \$50. The same fee shall apply should the Student fail to appear for, or for any reason not prepared to take, the scheduled lesson. Should a check received as payment of tuition in whole or in part, be returned due to insufficient funds, the Student may be removed from the driving schedule until such a check is made good. An additional fee may be charged for any returned check.

The student is required to complete all available training within six months of the date the training begins. Upon expiration of this agreement, a reinstatement fee may be charged before any further services are provided. The Driving School does not guarantee the issuance of a driver license to the Student. If training is not completed within the six months, a new agreement shall be established and training shall be restarted.

The Driving School reserves the right to cancel this agreement at any time, should the Student's conduct indicate a lack of responsibility deemed necessary by The Driving School to safely operate a motor vehicle. Destruction of property, or the possession, distribution, or use of any tobacco product, alcohol, or drug of abuse is strictly prohibited. Should this agreement be cancelled under such circumstances, all fees may be pro-rated, based upon hours of service provided prior to cancellation.

Refund Policy: Student further agrees to buy \$20.00 of gasoline for the company vehicle during ONE in car lesson. After completion of one in-class lesson, no refunds will be issued. Please be aware that the driver's education vehicles are equipped with video surveillance, and by signing below, you consent to the use of this surveillance. All students must have completed their online course as of May 1, 2022 in order to begin the behind the wheel lessons per the Ohio Revised Code. Student temporary permit paper printout from the BMV must be within the first 60 days of issuance in order to do your behind the wheel lessons. The Temporary permit is still valid for a year, but you must have a new issue date that does not exceed 60 days from the issuance for all of your behind the wheel lessons. The final road test at the Ohio Driving Testing Center must be scheduled at least 1 week from your last behind the wheel in car lesson which will allow us to email you, your completion certificate and accommodate any last minute scheduling scenarios.

The Driving School shall furnish a certificate of completion to all students under the age of eighteen years, who successfully complete the course. Completion, as defined by the State of Ohio, refers to the completion of the required number of hours online and the student's good-faith effort having been exercised during the practical driving portion.
